Hi all,

We just wanted to touch base with you before the craziness (or crazier-ness) of the holidays started. As we're planning what's going on around the shop for the remainder of the year, we wanted to give you some dates to mark on your quilting calendar ...

Some of you might be gearing up for the big Black Friday sales next week. Please remember that ...

**WE WILL BE CLOSED ON BLACK FRIDAY, NOVEMBER 28th.**

We'll be back open on Saturday, November 29th.

Last year we started a new tradition of doing our "Black Friday" sale - a week later.  
So we will have our ...

Winter Stock Up Sale  
Saturday, December 6th  
9:30 am to 5:00 pm  
20% off storewide

Find some last minute, quick gift ideas or a kit or two that will be just the perfect project for after the holidays.

Please mark your calendar for our CHRISTMAS CLOSINGS also.

**WE WILL BE CLOSING DECEMBER 24th at 12 NOON**  
and **REOPENING JANUARY 9th** at our normal time.

We hope that you all have a wonderful Christmas Season and take some time after the 25th to enjoy your families and get some well deserved relaxation. That's what we intend to to!!!

Don't forget to start dropping those hints about **GIFT CERTIFICATES!**

We mail our gift certificates out on the day they are ordered, but please give the post office time to get them delivered. We try to make things simple and easy - give us a call, the gift certificate is on its way!!!

We also wanted to leave you with a quick list of things that might work for those last minute gifts, hostess ideas

or ideas for your quilting buddies.

1. Pincushions - there are a ton of cute and easy pincushions today. Use cotton or wool and they whip up overnight. Just remember to use the crushed walnut shells as your filling so you don't get unwanted critters!
2. Wine Bottle Bags - you might have seen our Stocking Bags in the shop. Very quick and easy and even if your recipient isn't a wine enthusiast, they can fill it with Christmas greens and have a wonderful arrangement!
3. Appliquéd Dish Towels - Simple and easy, pair this with some of your home-made goodies and you have a winning gift.
4. Slippers! - I know that it sounds weird, but think of tucking your toosties into slippers made with flannel and a nice cushy cotton batt (Dream Cotton Supreme is fabulous!). We're making up a pair now and can't wait to slip them on. Lots of nice patterns are available to go from toddler to grandpa!!! We also have Slipper Gripper for the bottoms!
5. Potholders - Everyone has a kitchen in their house and even if they hang them on the wall for decoration, everyone uses potholders or oven mitts. Don't forget to use Insulbright in them to protect against burning!

There's just a few ideas - pretty basic, but quick and fun to do. Anyone on your list would be thrilled to get them!

We have a new addition to the website ... [basic tutorials](#)! We've started out with Embroidery 101 and Wool Appliqué Basics. More will be coming...if you have any ideas, be sure to let us know. Maybe "*How to easily put on a binding*"?? Look for the button below the BOM on the side menu. We're not sure about this 'star' thing, but we do the best we can. Hope they will be helpful.

So remember - CLOSED next Friday - SALE on December 6th - and CLOSING at noon December 24th!
