Hey all,

We just wanted to touch base with you and catch you up on what's happening at Material Rewards. In our last Hot Sheet, we informed you of the possibility of an upcoming event ...

**Lynette Anderson** coming to the USA and stopping in to teach a class. That possibility is now a reality! Lynette designs her own patterns, books and also fabrics for RJR Fabrics. Lynette will be teaching her:

## Badger Cottage Class Monday, May 25th

9:30 am to 4:30 pm

Lynette will be bringing lots of quilts with her so we are having another **DESSERT PARTY** that evening at FourSquare Church at 6:30 pm (doors will open at 6:00).

You can check out our *Guest Teacher page* for more information. We have already had girls register for the class, so if you would like to join us, please let us know soon as we have limited seating.

This year Material Rewards will be joining in the **Row by Row Experience**.

We're busy designing our row and have also come into the present century and have a [Facebook](#) page.

We hope you'll take the time to hunt us down and "like" us. 

If you know us at all, you know that social media isn't really our forte, but you never know what tricks you can teach us old dogs (don't tell Teri I called us dogs - or old!!!). Row by Row this year will begin June 21st and runs through September 8th.

You can go to [www.rowbyrowexperience.com](http://www.rowbyrowexperience.com) for more information.

Just an update on

### The Wool Corner

(now the whole back room!).

Inventory is increasing at a rapid rate. We've found so many wonderful designs to play with, too.

*Click through to the wool kits page*  
and see what's new.

Last, but not least, Teri and I have been doing some

## "Hoping for Spring" Cleaning

and have marked a whole wall in the pattern cubby with **40% off patterns**. This cleaning binge will only last til the 18th of April and only patterns marked will receive the 40% discount. No other discounts apply. Next time you are in, be sure to wander through that section and get a great discount on future projects!
