Yes, it's finally here! We've got lots of new items to tease you and several new BOM programs that we hope you'll love - we've had great fun making the samples. We'll have snackies in the back room so that you can keep up your stamina. Be sure to seek out the samples for the BOM .....

## Pond House

It's finally done and hanging and we don't mind saying ... it's stunning!

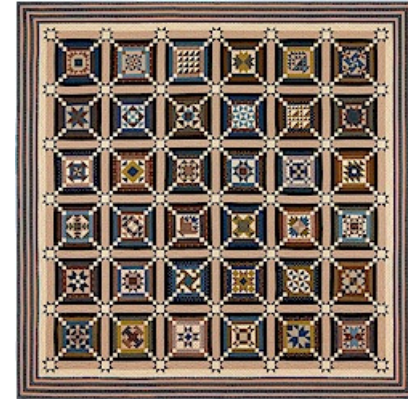

## A Sample For Ewe

Just getting into wool? Want to freshen up your wool stash? Love getting packages in the mail each month? You gotta join this one!

## Latimer Farms

We're trying our best to get this one finished 'cause it's gonna be wonderful!!! This is a twist on a sampler quilt that you'll love!

## Vintage Blessings Runner of the Month

These thematic runners are adorable. Simple appliqué gets you a delightful addition to your home decor.

## Monthly Minis

Patchabilities has the most wonderful little cuties. We'll also supply the decorative buttons and hangers with your program!

Hope you'll have time to drop in and enjoy some savings this weekend. We always look on this as the time to at least stock up on the basics - thread, cutter blades, needles ... and then get something special - *just for you!!!*

See ya!
