SUPER BOWL WEEKEND SALE
Saturday & Sunday, February 3rd & 4th
9:30 am til 4 pm both days

25% Off Storewide

(excludes gift items and already marked down stuff).

Believe it or not we've been holding this sale for 25 years! Amazing!

We couldn't have done it without all of you coming to join us ...

Of course, we'll have cookies to keep your energy levels up!

We'll be premiering our new **BLOCK OF THE MONTH** projects. Some are done, and some are still in progress. (It's amazing how much it affects your sewing time when you throw your back out!) Here is a preview:

Sample Spree by Jan Patek

67" x 89"

12 months @ \$20/month, one-time shipping charge.

This quilt was lots of fun to make. Easy fusible appliqué (or do it by hand if you want) and some pretty basic piecing.

Civil War Sampler by Barbara Brackman
93" x 109"

12 months @ \$25/month, one-time shipping charge.

2011 was the 150th anniversary of the commencement of the Civil War and Barbara had done a weekly blog post with pattern that commemorated this period of history. Lucky for us, she has put the blocks in book form for us all to enjoy. You can choose either a traditional or on-point setting for your quilt.

A Flock of Feathered Stars by Carolyn Cullinan McCormick
84" x 84"

12 months @ \$28/month, one-time shipping charge. Optional \$25 charge for us printing all the foundation papers.

This quilt isn't a speedy project, but if you enjoy foundation piecing, you'll love the results!

Garden of a King by Missie Carpenter
64" x 64"

12 months @ \$22/month plus shipping each month.

Kit includes all fabrics and wools to complete the top of the project. This quilt will be a rewarding challenge. Construction is English Paper Piecing with some wool and traditional appliqué. We'll also be offering a "Getting Started" class to build your confidence.

Wool Hexi Mats from Buttermilk Basin
12" hexagon

12 months @ \$20/month plus shipping each month.

These mats are soooo cute! and whip up in no time. Each month, you'll get all the fabrics for the top and backing. All you will need to supply is the time and some threads.

So hopefully, there's something that will pique your interest. Sample Spree won't start until March, but the rest of them will be good to go right away. We'll have to pick individual kits for Flock, Garden and Civil War, but once you've registered, we'll get your kit done up pronto so that you can get to work.

See you this weekend!
