Hey all!

We've had requests to start up **CLASSES** again with beginners in mind. We've scheduled some fun new classes that start at the beginning (Quilting 101) for the basics, move on to an easy project (Quilting 102) and a machine quilting (Quilting 103). There are also a couple of others in there with some new techniques involved. If you are coming on the 21st, you can see the samples and register at that time. If you know someone who has wanted to start quilting and isn't on our mailing list, please let them know that we've got the perfect class for them!

## What's New Saturday April 21st 10:00 am to whenever we finish!

Come see all the newest samples, books, patterns, fabrics and notions. We'll have a couple of cool new items to demonstrate for you and also some new ideas that you can take home and stitch up for Spring! We'll also have the samples to show you for the upcoming classes and a small trunk show from Karla Alexander (Stack the Deck Queen!).

Imagine our delight when we answered the phone a couple of weeks ago and **Kim Diehl** was on the other end of the line! Some of you might be aware that she canceled all her teaching dates for the past year due to some health issues. Well, she's feeling her perky self again and wanting to do some limited teaching and, lucky us!!!, she wants to come back and teach at Material Rewards! She has a new book coming in May (Simple Charms) and is also co-authoring another one due out in June/July. If you've seen any of her books, you can't help but drool. We've got some really amazing classes and she'll also be hosting an evening Dessert Party for us again and bringing loads of her fabulous quilts. We're starting registration right away, so you can go to the **[GUEST TEACHERS page](#)** to get the whole scoop on what will be happening.

## SAVE THE DATE

We've already had questions about the date for our  
Annual Quilters' Sale & Picnic.

It will be **MONDAY, JULY 9th.**

We'll have more details soon ... be sure to get the day off!
