Dansville, NY 14437

Due to a family emergency, we've had to **postpone** Lynne Hagmeier's workshops.

She will now be visiting us the weekend of **September 27th-29th**. We've contacted the present students and as a result of some conflicts, we have a **couple of openings** in the Friday Pheasant Feathers class and also a couple in the Sunday Home Dec class. You can go to the [website](#) to get all the details and let us know if you would like to join us for these great classes. We will also hold the Friday Night Desert Party on September 27th. Details for this fun event are also [on the website](#).

We'll also be sending out another notice shortly, but don't forget to put **Christmas in August** (aka - Christmas in July!!!) on your calendars. This event will be **August 16th & 17th**. You don't need to register for it, just come and have a great time!!

We'll be sending you a reminder with more details next week.

Enjoy your weekend!
