Well, maybe we can help you out ...

*Starting
December 14th ...*

***Material
Rewards
Sample Sale***

Starting **Thursday, December 14th,**
ALL our premade samples will be 20% off - until Christmas!!!!

We've updated our website, so everything we have available is there. Please just remember that if you want something shipped, we're starting to get close to the "no way we can get it there in time" line.

We'll have all the samples in the back room, so if you're in the neighborhood, stop in and see if there's anything that you need.

We've always said that if anyone questions if you made it, that the standard reply is
- "Why yes, it is *handmade!!*" No lying there!!!

Hope to see you soon, but if not, ***Have a Very Merry Christmas.***
May it be calm and peaceful.

Remember that we will be **closing at 12 noon on December 23rd** and
will **reopen the shop on Thursday, January 4, 2018.**
