SHOP HOURS

Tuesday-Friday 9:30 am-5:30 pm

Saturday 9:30 am-5:00 pm

Hey all,

As you might know, we took a little hiatus over the holidays. We always take this time at the end of the year to rejuvenate and get ready to start the new year with lots of ideas for quilting fun! As you can see, we did take a bit of time to do some sewing too so that we could get a start on redecorating the shop when we got back. We're at that stage now so the shop is in a bit of disarray. Thanks for your patience while we get our act together.

One of the first events that will be taking place at Material Rewards is our Annual ...

We'll, hopefully, have the shop put back to normal with lots of new ideas to get you through the winter ho-hums! There are cozy flannel quilts, beautiful bed, lap, baby and wall quilt kits, ideas for some Spring bags, Block of the Month projects, and let's not forget the snackies to keep you going!

If the weather should take a turn for the worse, we'll postpone the sale til the following weekend. We hope that it won't come to that! 🙄

If you can't make it to the shop that weekend, you can shop for kits online. Just send us an email on either day of the sale (must be emailed on one of these 2 days) with a list of what you want and we can either hold it or ship it to you.

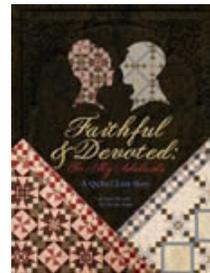

Kansas Troubles Stash Society

This past summer, we were thrilled to have Lynne Hagmeier come and teach for us. If we weren't fans before, we certainly drank the Kool-Aid by the end of her visit. As you know, we're doing her Kansas Troubles Mini Table Treats and her Anniversary Quilt as Block of the Month projects.

Well, she's gotten us into **more** trouble with a new Stash Society. If you love the folksy, warm look of Kansas Troubles designs and fabrics, then you'll love the Kansas Trouble Stash Society. The main goal is to give you an opportunity to use up some of your stash by providing awesome patterns, and just a touch of fabric, to get you inspired. Each month, we will feature a unique KTQ project - from miniature quilts and wall hangings to lap quilts, table runners, bags, home decor items and more! Recipes will be featured along with all the latest KTQ news! For \$15 each month, you will receive at KT Stash Society pattern, newsletter and an addition to your stash that coincides with the pattern of the month (i.e. charm squares, jelly roll strips, fat 1/8ths, fat 1/4s, etc.). We will also have finishing kits available to complete the project which we will let you know about via a KTQ email.

Designer Spotlight!!!

Every once in a while we come across a designer who stands out due to the quality of the designs, and the readability and accuracy of their patterns. We find it very satisfying when you don't have to struggle with the pattern to complete your project. So we're going to highlight some of our favorite designers who do a great job.

Carrie Nelson from *Miss Rosie's Quilt Co*

Carrie specializes in scrap quilts ... the more fabrics the better! You can always guarantee you'll get through the project successfully. We've included a link to her website so you can view all her delightful designs and read about her quirky life!! We're sure that you will love her work!!
