

Happy Fourth of July!

Finally summer is upon us which means:

Material Rewards' Annual Sale and Picnic
Monday, July 14th

SALE: 8 am til 11 am - 20% off storewide
to stock up on summer projects goodies

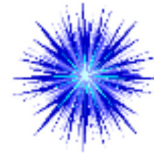

PICNIC: noonish til ???

VERY IMPORTANT!!!

We have moved the location of the picnic to the
Foursquare Community Church at 49 West Avenue

It's the spot where we had Kim Diehl's evening program and we were thrilled with it. Everything else will be the same ... dish to pas (please bring 2 serving utensils), table service and a Show and Tell project. You won't need to drag along a chair as there is everything we need to make us comfortable ... even air conditioning! Sorry, the older we get, the hotter we get and then it's not a

pretty sight. There is a stage and sound system so we'll be able to show all your treasures in comfort. We don't want to lose the "picnic" atmosphere, but cool air and padded chairs are great!

Directions from the shop: head north on Route 36, past the Hospital and then take the first left onto Jefferson Street just before the football field. After the buildings, take a right into the parking lot and you're there. If you're coming from a different direction, just find the football field and look for the buildings behind it.

Hope to see you all there!

We'll have ideas and samples to get your creative juices flowing. Remember if you start now, just think of what you can accomplish in 6 months! We've got tree skirts, table toppers, stockings, wool ornaments, table runners and more to show you. As always, our ideas of what we can accomplish are beyond what we can actually do, but we're sure there will be enough for every to get eager to get started.

See you soon,

Teri & Marty
