Hey,

We've had some schedule changes that we wanted to make sure you put on your calendars ...

- We will be **Closed** this Thursday for the **Fourth of July** holiday.
- The **Annual Sale & Picnic** will still be on the **15th of July** (see details below).
- We will be **Closed** Tuesday & Wednesday, **July 23rd & 24th**.
- CHRISTMAS IN JULY will be postponed to **Christmas in August** (see information below for dates).

We will be open all regular hours other than those listed above.

This is always our idea of a perfect day - getting a great deal on all things quilting and then wonderful food, friends and more quilts - win, win!!! Remember that you need to bring a project (need not be completed - tops welcome!) for Show and Tell, a dish to pass (with 2 serving utensils). Also bring your recipe and drop it in the basket - we always get others asking for the recipe (make sure your name is on the card), and your own table setting. We'll provide all the drinks. Hope to see you on the 15th!!!

Directions to Fish and Game: leave either parking lot of Material Rewards and travel north on Rt. 36. Just past the 390 overpasses turn right onto Gibson St. Follow Gibson St. up the hill, around the curve and the entrance to the grounds will be on your right. Follow the drive up and around - you'll see where we are - under the pavilion.

Friday & Saturday

August 16 & 17

10:00 am - 12 noon each day

We always have a lot of new ideas for holiday gift giving & decorating, some new recipes to try out and free patterns for you to take home and play with. Come and join us for a fun morning and get a jump on the holiday sewing (hee, hee, hee - we all know that this won't happen!!!!) Anyways, we do have a fun time and at least you will have ideas in the back of your head when you do decide to start!!

FYI - We've had a wonderful response to Lynne Hagmeier's upcoming visit and all her classes are full. If you would like to be put on a waiting list, please give a holler!!!

There is still plenty of room, however, if you'd like to join us for the **evening program on Friday, August 2nd**. Lynne will be sharing all her newest quilts since the last time she was here and lots of new stories of her travels and the life and times of a fabric and pattern designer. This program will not be a repeat of her program two years ago! She's all new and improved! We've also been collecting some really great deserts to have for you to sample, and we're pretty sure that Lynne will have new designs and fabrics that you can purchase if you so choose!!!

Hope that you can be there with us!

Give us a call to register or [do it online](#).
