### **ANNUAL SALE & PICNIC July 9th**

**Sale starts at 8:00 am and  
goes until 11:00**

**20% Off Storewide !**

**Picnic at the Fish & Game  
Club just around the corner**

We hope that you'll join us on Monday for a really great day. Come and enjoy some savings on beautiful fabrics, patterns, notions and books (don't forget all the kits are on sale also!), and then wander on over to the Fish & Game Club for a fun picnic. The Fish & Game Club is handicap accessible and the pavilion offers lots of shade. At this point, they are predicting a cooler day on Monday, so what better way to spend it than to get a bargain and show off your latest project?

Things you need to bring to the picnic: yourself, a dish to pass (please bring 2 serving utensils to put in your dish so that it can be served from both sides of the table) + your own table setting and something for Show and Tell.

We also have a couple of new Block of the Month projects that we will be introducing at the picnic. See you on Monday!

Teri & Marty

PS - Don't forget **Trunk Show Saturday, this Saturday - July 7th**. We have beautiful bags from Whistlepig Creek Designs and you'll get a kick out of the stitcheries from Oh My Bloomin

Threads!! We'll kick things off at 10:00 am.

If you are having to get our emails from a friend, that means that we don't have your email address or your correct email. Please send us a note and we will update our mailing list. You might want to check your spam filter to make sure that we aren't on your "blocked" list.
