ROW BY ROW EXPERIENCE™

What is **Row by Row**? How about this ... it's like a shop hop, but it's not ... no fees, no cards to stamp, and all summer to play! Simply visit any one of the participating shops and receive a free pattern for a row in a quilt. Combine your rows in any way to create a unique quilt that represents the fun you had traveling throughout the summer.

The theme this year is "WATER" and we decided to think outside the box a little. Using the 60 degree ruler you can whip up the watermelon in no time and add the 'visitors' if you like a bit of simple appliqué.

Stop in and see what we've come up with for our official SUMMER OF THE WATERMELON here at Material Rewards! Row by Row starts officially on June 21, but our first day open is the 23rd, so that's when we will begin.

Visit www.rowbyrowexperience.com for all the details or ask us!
