

CHEESE & CRAB SOUFFLE

Quick and easy to make...we just put everything in a crock pot and let it heat through.

Ingredients:

6oz crab meat flaked
10 oz shredded sharp cheddar cheese
1T minced onion
1 c. mayo
1t Worcestershire sauce
3 drops of Tabasco sauce
½ t of salt, pepper & sugar

The original recipe calls for you to spread the mixture into a baking dish, garnish with paprika, and bake at 350 for 20 minutes. Or try the crock pot.
