This **Saturday, July 28th** is our second installment of **Dibs & Dabs**. We decided on this name because we wanted to give you a little bit of this & that of some new techniques or designers.

We will have a **morning session (10 am)** and an **afternoon session (1 pm)** so that we can spread things out and have plenty of seating for everyone.

This month we're featuring an easy Double Dresden Plate technique, Poorhouse Designs - which likes to deviate from the "plain old" projects, another company that likes to play with yo yos and fun embellishments, and lastly a smorgasbord of patterns that can be used on tea towels and lots of other stuff ... some great ideas for gift giving (we know, it's NOT too early to start thinking of the Holiday season!). Whew ... that was a run on sentence!!

So we hope you'll set some time aside this coming Saturday to stop by and peek at some new ideas!
