Please print off the coupon below and bring it with you any time during the month of October for your own personal Open House shopping experience. If you can't print one, ask when you come for your shopping spree!

One coupon per customer. Coupon only good for use once and cannot be used again.

The store will be well stocked, so please don't feel that you need to come the first few days. We always issue rainchecks whenever possible. When you pull up, if there are more cars than makes you comfortable, go for a walk in Stony Brook, get something to eat, or take a quick nap in the car! We're trying our best to keep a Material Rewards tradition alive – any way that we can.
